

BEESTOVE

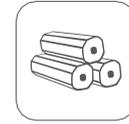

MODEL: MZ01

Heat Output
(Nominal - Minimum)
3 KW

Wood Fuel Type

Briquette Fuel Type

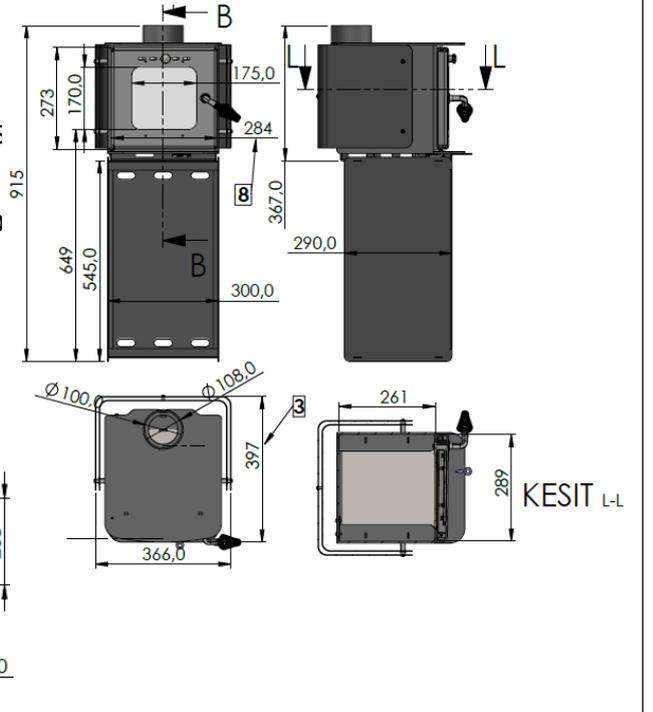

Product Weight
49,3

Chimney Diameter
100mm

PRODUCT FEATURES: The stove has a capacity of 3 kW and is the ideal size for small homes. Thanks to the heat shield on the side and back, the approach distance to the wall is reduced. Stove sheet thickness is 5mm. There is a wood drying section under the stove. A specially designed spring has been added to keep the handle part cold all the time, allowing the user to hold the stove very comfortably while it is burning. The stove is coated with high temperature resistant smokeless black German Senotherm paint.
