This protective cabinet, with dimensions of 1300x600x350 mm, is designed to be compatible with all combi boiler brands. Both its interior and exterior surfaces are fully coated with electrostatic powder paint, and alternative color options are available. The product is shipped disassembled offering easy assembly (FIG03-FIG05), while its bottom section is adjustable according to your plumbing layout (FIG:04). Furthermore, it is highly durable and secure, featuring a front door with a top and bottom double-lock system (FIG:07).
