

Combi Boiler Protection Cabinet

Brand: Spacebox | Model: OMT105 MAX

FIG:01

Product Weight
28 -30,5kg

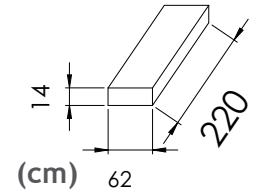

FIG:05

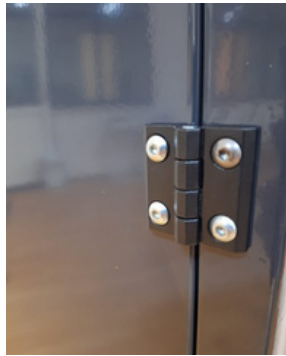

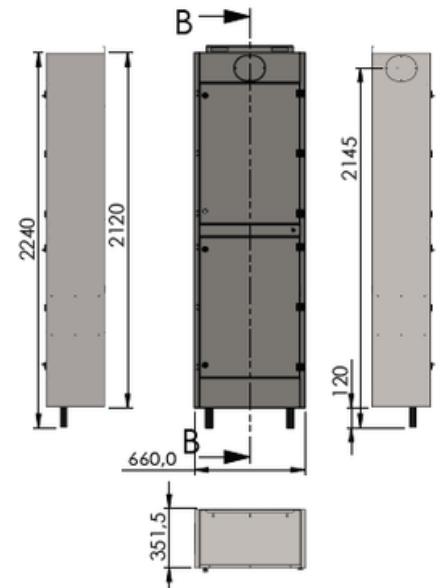

FIG:02

FIG:03

With dimensions of 2240x600x351 mm, this protective cabinet is designed to be compatible with all combi boiler brands. Both interior and exterior surfaces are fully coated with electrostatic powder paint, with alternative color options available depending on order quantity. Shipped disassembled, it offers easy assembly. The flue outlet is designed to accommodate exhaust from four different directions. The bottom console section is adjustable according to the plumbing layout. Featuring 2 locks (FIG:03) and 3 hinges (FIG:02) on both top and bottom doors, the cabinet ensures maximum stability and security (FIG:07). Additionally, it is equipped with 2 height-adjustable legs.
